*"Custom Window Designs supplied [...] all of my windows and doors at my home and I couldn't be happier with everything!"*  
-Jeff from Milton

Our double or triple glazed windows are Energy Star rated, with Argon Gas filled units, and the highest grade coatings of Low E in the industry, which provides superior insulation all year round.

Our windows are finely sculpted in "Contoured" or "Contemporary" profiles, combining thermal performance and unique style.

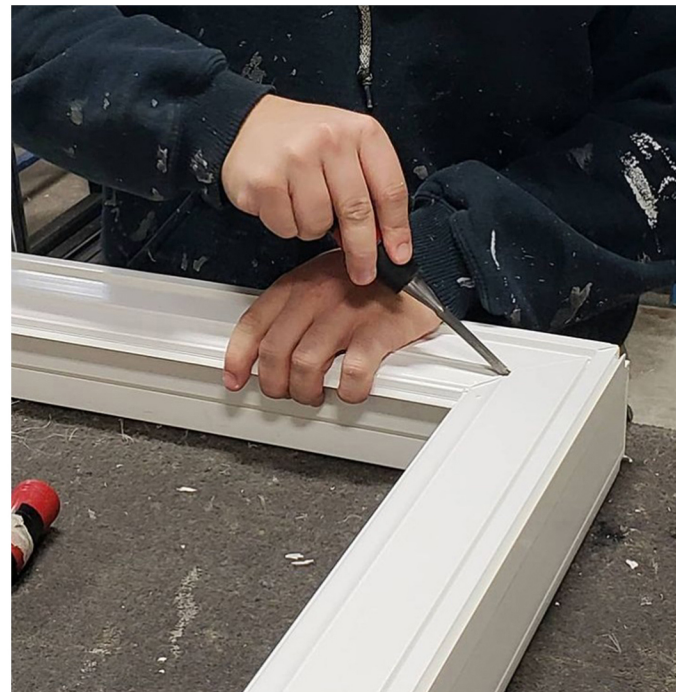

SIDING AND WINDOW DEALERS  
ASSOCIATION OF CANADA

Our company is family owned and operated since 1973. Our windows are manufactured in Mississauga, in the same building as our showroom. Our paint shop is able to custom paint your windows to any colour.

Lifetime manufactures warranty on all our products.

## Fusion Welding

- > All frames and sashes are precisely welded for increased strength and durability
- > Watertight and Airtight; our non-degradable sealants and reinforced joints prevent any sealing problems

## Contour

## Contemporary

## Premium Vinyl

- > Extruded from the highest quality, our premium lead-free PVC compounds are formulated for resistance to UV, fading, and cracking
- > Non-metal Super Spacer minimizes condensation
- > Multi-Chambered sashes provide thermal resistance
- > Optional Brickmould to add elegance to your windows

# Casement & Awning

- > Opens 90° for easy cleaning
- > Multipoint locks come standard
- > Triple-sealed frame and sash

- > Opens 30°
- > Dual-pivot locks
- > Triple-sealed frame and sash

Low maintenance windows with maximum curbside appeal. Easy cleaning, a full screen inside, and dual and triple locks for security. Combine different glass and profile options to make your windows uniquely yours. Our heavy duty hardware will stand the test of time.

# Sliders & Hungs

- Double Hung
- > Tilt & Turn for easy cleaning
  - > Full screen outside

- Single Hung
- > Tilt & Turn for easy cleaning
  - > Half screen outside

Simplicity at it's best. Our sliders and hungs are easy to clean, have a full screen outside, and the option for Egrees. Personalize your window with optional glass, grills, and painted frames.

- Double Slider
- > Tilt & Turn or Lift Out for easy cleaning
  - > Full screen outside

- Single Slider
- > Tilt & Turn or Lift Out for easy cleaning
  - > Half screen outside

- Triple Slider
- > Tilt & Turn for easy cleaning
  - > Dual screens outside

# Bow & Bay Windows

Enhance the elegance of your home with customizable bow and bay windows. Choose your window profile to match your vision and style.

# Custom Glass Designs

Customize your window to fit any unique shape. Personalize your glass by choosing a glass or obscure design, grills, or SDLs, and create a stunning focal point for your home.

Enhance your window frames with our Precision Colour technology.

## Fibreglass Doors

Choose the stain and grain, and capture the beauty of wood with our customizable fibreglass doors for an affordable price. All of the door components are made of fibreglass, offering superior durability and insulation.

## Steel Doors

Personalize your door with an abundance of door slabs, glass, and colour choices.

The steel slab is rust resistant, and fire-rated options are available. Our door frames are laminated, PVC woodgrain wrap, and maintenance free, and will keep the elements from entering your home.

# Pacific Series

The Pacific Series features a slim sash and Low E & Argon tempered glass, ensuring optimal thermal performance. The vinyl multi-chamber profile is 5 7/8" in depth with full perimeter double and triple weather stripping, and the superior insulation eliminates water and air infiltration between the frame and panels.

The Pacific Series is customizable, with grills, decorative glass, and colour frame options available. Plus add interior mini-blinds for low maintenance.

# Imagine Series

The Imagine Series features the look of a garden door without the hinges. It has a Low E sealed unit with Super Spacer and PVC Frame with a welded wide sash for increased thermal resistance. The vinyl frame has steel reinforcements for maximum durability.

The Imagine Series is customizable, with multiple grill designs and colour frame options. Choose between 2 panel, 3 panel, and 4 panel openings. Plus add interior mini-blinds for low maintenance.

# Urbania Series

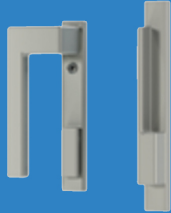

The Urbania Series is made with aluminum frames with fibre reinforced thermal barriers, and Low E Argon sealed units, offering the highest energy efficiency performance. Standard locks are double-point for added security. Frames are scratch resistant, and have custom colours available. Multiple glass options and configurations maximizes customizations.

# Loft Series

The Loft Series is the performance of Urbania with exceptional flexibility for unparalleled height and width configurations. The scratch resistant aluminum frames, Low E Argon thermal glass, and standard triple-point lock offers the highest safety and durability. The Lift & Slide handle effortlessly glides even the largest panel. Custom frame colours are available to personalize the look and beauty of the stunning Loft Series door.
